## **NEW** Rattle Rollers

Perfect for little hands to hold, eyes to watch and ears to listen! Each of the three rollers has a different filling. The fluorescent one is perfect for den play as it glows in the dark with a UV torch! The rainbow beads make a gentle rain-like sound as they swish and swoosh. The strong contrast between the black and white beads is perfect for young babies or older children with visual impairment. Rattle rollers encourage eye tracking, hand-eye co-ordination, and both fine and gross motor skill development. Easy to hold, shake and roll! Made from sustainably-sourced wood. Size 5½" high.
