exploring the world

Inspire curiosity and wonder with our hands-on resources, exploring everything from minibeasts to dinosaur teeth.

NEW

NEW Butterflies - Sensory Play Stones

This charming set of tactile butterflies is perfect for nature-based activities. Designed for both inside and out, these delightfully sensory butterflies are perfect for imaginary play, enabling children to develop storytelling skills. Set of eight butterfly stones are made from an easy-to-clean stone/resin mix. Size 2-2½".

Safe for 2+
YD1220

NEW

NEW Birds - Sensory Play Stones

This stunning collection of birds is perfect for outdoor adventures! The tactile, realistic details will inspire curiosity and provide sensory feedback. Easy to stand, the birds are perfect for imaginary play as children's storytelling skills take flight. Set of eight sensory bird stones are made from an easy-to-clean stone/resin mix. Size 2¾-3½".

Safe for 2+
YD1219

Flowers - Sensory Play Stones

This set of realistic flower heads will help grow children's imagination and curiosity about the natural world. They are robust enough to be used outdoors and in mud kitchen play. Set contains eight garden flowers: carnation, daffodil, dahlia, gerbera, pansy, rose, sunflower, and tulip. Size 2".

Safe for 2+
YD1189

NEW

NEW Leaves - Sensory Play Stones

This beautiful set of leaves in seasonal tones will help children to understand changes in the natural world. Designed for outdoor learning, the details on these wonderfully sensory leaves can be felt as well as seen. Set of twelve stones (six pairs) are made from an easy-to-clean stone/resin mix. Size 2-3¼".

Safe for 2+
YD1218

Weather Stones

We all like to talk about the weather, and these tactile symbols will help with just that! Use them to record the weather, make a forecast, sort by conditions, press in playdough or create stories. Includes ten weather icon stones. Size 1½-2¼".

70-71

NEW

Double-sided

A young child with dark skin and curly hair, wearing a pink hoodie and pink pants, is standing outdoors next to a tree trunk. The child is holding a circular wooden frame with colorful ribbons (yellow, orange, blue, green) attached to it. The ribbons are draped over the frame and hang down. The child is looking towards the camera with a slight smile. The background shows a tree trunk and some dry leaves on the ground.

fine motor skills

Little hands, fingers and thumbs need plenty of practice to strengthen muscles and develop motor control. We have a range of resources to help with just this!

Natural Weaving Frames

This set of two notched rectangular wooden frames is a versatile resource when combined with a variety of threading materials to create mini-tapestries of color and texture. Largest frame size 10 x 7 1/4". Sustainably-sourced wood.

Safe for 18m+
YD1136

Natural Threading Frames

Use wool, laces, string or ribbons, alongside natural materials, to create colorful compositions and help children to develop hand-eye coordination, dexterity and concentration skills. Largest frame diameter 8 1/4". Sustainably-sourced wood.

Safe for 18m+
YD1137

Threading Pebbles

Children will develop hand-eye coordination, as well as early counting, sorting, and pattern-making skills, as they thread and sequence the stones. Set includes 16 pebbles in four different shapes, shades, and textures, plus two chunky laces. Pebble size 1½".

Safe for 2+
YD1097

Feels-Write Pre-Writing Stones

These tactile stones will help children to build their fine motor control and develop the language to talk about pre-writing patterns. Tracing over the indents from left-to-right, they will gain important sensory feedback. Set includes twelve stones. Size 3-3¾".

Safe for 2+

66

Tactile

Sensory Stones

This set of eight tactile stones includes four raised designs (circles, dots, wavy lines, grid) and four indented designs (circles, lines, zigzags, spiral), perfect for sensory play and mark-making. Size 3".

Safe for 18m+
YD1022

Matching

Interlocking Sensory Stones

Ideal for exploring matching and symmetry, these stones are designed so that each pair interlocks in a different way – from concentric circles that can be continually twisted to shapes that can be interlocked in two, three and four positions. Size 3".

Safe for 18m+
YD1025

Recreate

Sensory Shapes

These stone shapes offer opportunities to develop children's math vocabulary and comparative language as they talk about what they see and feel. Set contains twelve stones with different thicknesses and sizes for each pair of shapes. Size 2-3".

Safe for 3+
YD1026

Sensory Sound Eggs

This beautifully realistic set of six speckled eggs contains three pairs with matching sounds to help children develop auditory discrimination skills. Great for outdoor play too! Size 2½".

Safe for 2+
YD1087

Let's Roll

Let's Roll

A wonderful way for children to develop fine motor skills through creative play as they craft intricate patterns in playdough, sand, or clay. Designed to encourage the use of the child's entire hand, from palm to fingertips, our rollers effectively strengthen the muscles in their hands, fingers, and thumbs, laying the groundwork for confident mark making and handwriting.

Double-sided

Natural Counting Log

This beautifully simple wooden log has equal-sized holes into which children can count out the appropriate number of sticks from a pile. When placed correctly in the sections, children can easily see the difference between the numbers (cardinality). Each side of the log shows a slightly different range of numerals (1–10 on one side and 0–9 on the other), making it helpful to teach number order and the value of zero. Made from sustainably-sourced beech wood. Size 18½" and includes 60 counting sticks (2½").

Safe for 18m+
YD1160

1-10 Natural Number Stacker

Great to support early number sense and counting, children will be able to see clearly the 'howmanyness' of each number, subitise through different patterns, 1:1 counting, 1 more/1 less and difference. The bases show: numeral, standard 1-5 dice array, random dot array and 10-frame pattern. Made from sustainably-sourced beech wood, each set includes ten number posts (2½-7") and 55 rings.

Safe for 18m+
YD1133

Number Pebbles

These popular pebbles appeal to children's instinct to explore, investigate, sort and collect. Each pebble is engraved and painted with a numeral, and will not fade over time. They are durable and weatherproof, and are ideal for use in sand, water and outdoor play. The Sum-building Set contains both number (0-20) and operation pebbles, offering a playful way to introduce children to sums. Size 1½". Jumbo size 2½". Safe for 2+.

YD1187

A photograph of three young children outdoors. One child in a blue plaid shirt is pointing at a tablet with a yellow case. Another child in a striped shirt and a light-colored cap is looking at the tablet. A third child in a blue cap is partially visible on the right. The tablet screen shows a landscape with a river and trees. Below the tablet is a colorful activity sheet featuring a cartoon dinosaur and a prehistoric scene. The word 'Apps' is overlaid in large, semi-transparent letters on the right side of the image.

Apps

We have developed
25 delightful and engaging
apps for young learners
in a digital world.

Learn early math skills with our award-winning collection of Apps!

These apps celebrate and extend the very best features of our physical resources, enabling children to explore, investigate and deepen their understanding of math in a hands-on way. Activities can be set at different levels, encouraging progressive learning.

Sensory Worlds App

YD9024-1 1 tablet licence

Be transported into three soothing natural worlds that invite interaction, curiosity, and discussion. Each Woodland, Rockpool and Garden environment can be explored as a picture which comes alive to touch, with realistic images and sound effects. There is also a magnifier function to encourage children to really explore the detail and investigate further. This app has been designed to complement our tactile sensory resources, but can be enjoyed independently.

Pre-coding Penguin Stones

These adorable penguins encourage the use of directional and positional language, matching practice, problem solving, pattern making and sequencing skills. Used alongside the activity cards, they provide further challenge and nurture children's thinking skills. Set includes 18 penguin stones. Size 2".

Our story

We spread the joy of play-based learning through resources that inspire, excite and delight. As a publisher of **award-winning, multisensory products** for over 17 years, our resources are well-loved and well-known for their quality, innovative design, and open-ended nature.

Play-proof guarantee!

Day in and day out, our products are tested to the toughest of standards to withstand whatever children can throw at them – sand, water and mud included! Our stone and pebble products are made from a durable stone mix and are **guaranteed for five years**.

Environmentally speaking

We're actively **minimizing waste, plastic usage, and our carbon footprint**, while increasing the use of sustainable materials. Our product boxes, made from recycled card without plastic interiors, are shipped in eco-friendly packaging. We've eliminated box shrink-wrap and are phasing it out from our card products.

A blue square logo with the text "100% PLAY PROOF" in white and yellow. The logo is tilted and has a yellow starburst effect behind it.

100%
PLAY
PROOF

Sustainably-sourced

We're proud to only use sustainably-sourced wood for all our wooden resources and we're committed to playing a vital role in the **conservation of forests** and the people and wildlife that call them home. By choosing our natural wood products, you will be supporting responsible management of the world's forests.

Quality you can count on

You can be confident our resources are up to the challenge of an early childhood environment and are safe for small hands. Using quality materials like stone and sustainably-sourced wood, along with innovative production methods, we create **unique products** that inspire children to explore.

Innovative design for all

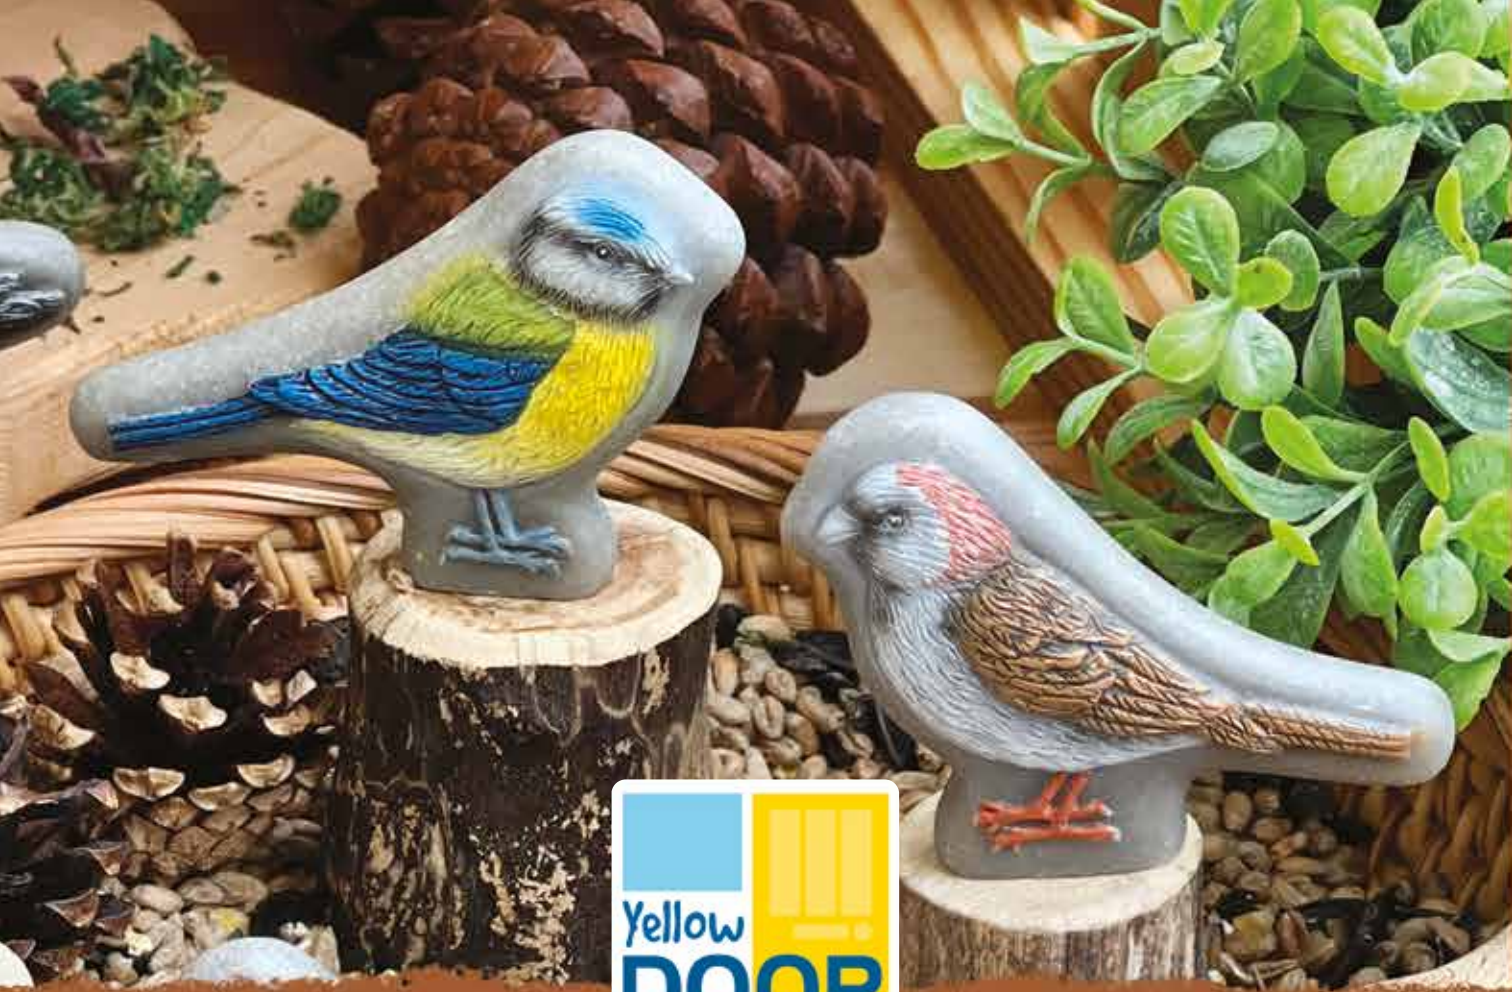

Our team of experienced educationalists enjoy creating multisensory resources that **enrich open-ended learning** through play. Innovation and a keen eye for detail go hand-in-hand to deliver an award-winning range loved by both practitioners and children.

Let's play together!

Proudly contributing to a local Forest School initiative, our small and friendly team offers a volunteering program which provides an enriching, outdoor experience for children. We love what we do, and **we especially enjoy learning** from our customers, so if you have an idea, get in touch – we'd love to hear from you!
